

Get the EDGE: Expand Your Skills, Control Your Future

Thursday, June 8, 2006

11:30AM – 1:00PM, Hunt Room, Mezzanine Level, Fairmont San Francisco

Faculty: *Grayson H. Wheatley, III, MD; Arizona Heart Institute, Phoenix, AZ*
Robert W. Emery, MD; Cardiac Surgical Associates, St. Paul, MN

Dr. Emery will share his views on the importance of expanding one's skills in our rapidly changing environment. Following his presentation, Dr. Wheatley will discuss his own experience in acquiring emerging skills and adopting new technologies.

This activity is supported by an educational grant from Medtronic, Inc.
